

SD NATUURSTEENREINIGER

NOURISHING FLOOR SOAP FOR DAILY CLEANING OF NATURAL STONE

SD Natuursteenreiniger is a high-quality floor soap specially developed for the regular cleaning and maintenance of natural stone floors. The carefully balanced formula combines effective cleaning performance with the caring properties of natural soap.

SD Natuursteenreiniger is completely acid-free, making it particularly suitable for sensitive natural stone surfaces such as marble, bluestone and limestone. The product thoroughly removes everyday dirt while leaving behind a nourishing protective layer that helps preserve the natural appearance and character of stone surfaces.

Its low-foaming, pH-neutral formulation is suitable for frequent use and dries without leaving streaks or residues. SD Natuursteenreiniger is made exclusively with readily biodegradable ingredients and contains no unnecessary additive.

SUITABLE FOR

Specially developed for:

- Marble
- Granite
- Bluestone
- Composite stone

Also suitable for:

- Ceramic tiles
- Sealed concrete floors
- PVC and vinyl floors
- Laminate floors
- Other water-resistant floors

EFFECTIVE AGAINST

Typical everyday soiling, such as:

- Foot traffic dirt and dust
- Spilled drinks and food residues
- Light grease and oily deposits
- Shoe marks and rubber scuffs
- General household and commercial floor dirt

SPECIFICATIONS

- Classification: CLP free
- Appearance at 20 °C: Colorless clear liquid
- Storage: 5-35 °C
- Solubility in water: Fully
- Optimal performance: 20-40 °C
- pH at 20 °C: acid-free (8,5-9)
- Flammability: None
- Density at 20 °C: 1.01 g/cm³

USAGE

Suitable for both manual and machine cleaning.

Use with all mopping and sweeping systems or in scrubber-dryers and single-disc machines. Add 25-50 mL of SD Natuursteenreiniger to 5L of water (dilution 1:200-1:100), depending on the degree of soiling.

KEY PROPERTIES

- **Natural stone care:** acid-free formulation with natural soap that cleans, nourishes and helps maintain the natural beauty of stone floors
- **Sustainable choice:** formulated with readily-biodegradable ingredients and renewable, bio-based raw materials
- **Safe to use:** CLP-free cleaning solution
- **Daily cleaning:** quickly removes everyday floor soiling without leaving residue
